A metaphor (隠喩) is a way of describing something by comparing it to something else. Please complete the following sentences with your own metaphors.

Example:

Life is like a long road because it's long, and sometimes we get lost.

1. A teacher is like _____

because _____

2. A language learner is like _____

because _____

3. A classroom is like _____

because _____

4. Language learning is like _____

because _____

I would like to use this material in my research. I plan to collect student work from several classes and analyse the data. I may use some of your work in my report to illustrate my findings, but I will ensure that your name and identifying details are not used, and I will not share your personal information with others. If you would not like me to use your work in my study, please check the box below. This will not affect your grade in any way.

受講生の皆様 私、ダレン・エリオットはこの授業を含め、複数の授業を通して受講生の皆さんから提出された課題を収集し、一部を教育研究の為にデータとして使用したいと考えています。データ使用の場合、自身の研究の為にのみとし、個人名や個人についての詳細は一切公表しません。もし、これから提出する課題のデータ使用を望まない場合は、以下の□にチェックして下さい。これはいかなる場合も成績には反映されません。

I do not want you to use my data in your research
